### **GIVE A GIFT OF HOPE**

The tragic violence in the Middle East and the highly restrictive policies imposed on Palestinians has created severe economic instability for Palestinian Christians who live in the area of Bethlehem, a name which means "House of Bread."

In the neighboring village of Beit- Sahour, from where the shepherds most likely came to be the first people to worship the Christ Child, Palestinian Christian families have carved exquisite olive wood religious works for generations. Current travel restrictions imposed on Palestine have dramatically reduced both pilgrimages and tourism. The livelihood of these Christian families is severely threatened.

Mr. Rafat Hilal is part of a group of Palestinian Christians traveling around our country selling these superb carvings. The revenue generated helps to restore justice to an oppressed Palestinian Christian minority, supports over 300 families of skilled carvers and helps in keeping a Christian presence in the Holy Land.

**May 18<sup>th</sup> and 19<sup>th</sup>**

Rafat will display the carvings after the scheduled Masses. Your purchase, however small or big, will be an act of social justice as well as provide an opportunity to own or give as gifts original folk art from Bethlehem.
